The City of Meadville held a special meeting Monday, November 16, 2021 at 6:30PM.
Special meeting to approved purchase of copper wire needed for wastewater project.

Those in attendance: Ruthie Munsterman, Debbie Bennett, Brandy Barclay, Tim Nickell in person
and Nelson Dinsmore via telephone.

Ruthie called meeting to order.

Special Business

- Tim called several companies, but they did not have copper wire in stock and wouldn't say when the wire would be back in stock. Could be several months before they have any.
- Tim was able to locate some at Minnick's in Chillicothe, MO. We need 4 runs at \$7 a foot is \$28, so in total we need 180 feet at \$28 = \$5,040
- After discussion motion was made by Debbie Bennett to purchase the copper wire for 3 phase pump station at lagoon. This was seconded by Brandy Barclay. All in favor.
- Tim will pick up on Monday, November 22, 2021.

Next regularly scheduled city council meeting to be held Monday, December 13, 2021 at 6:30PM.

Ruthie adjourned meeting.
